Key Information

Utilities: Bills are not included—tenants will be responsible for their own electricity, water, WiFi, and council tax (Band A).

6 or 12 month tenancy options available, making it easier to find a rental plan that suits your needs.

This property is located within a development that is still undergoing construction, with work continuing in certain areas. As a result, some noise should be expected during normal working hours, and access to communal spaces, such as courtyards, may be temporarily restricted at times. However, contractors are aware that residents are moving in and will do their best to minimise any disruption.

These apartments offer a rare opportunity to secure high-quality accommodation in a prime city centre location, with all major amenities and transport links just a short walk away.

Please note: The images provided may not represent the exact apartment available, as there are multiple options to view.
